

Do you know someone who needs alcohol and other drug support?

Alcohol and Drug Liaison Outreach Workers (ADLWs) help people who aren't yet connected to community alcohol and drug services

ADLWs deliver brief interventions and short-term treatment

They help clients connect to any services they need, including longer term drug and alcohol support

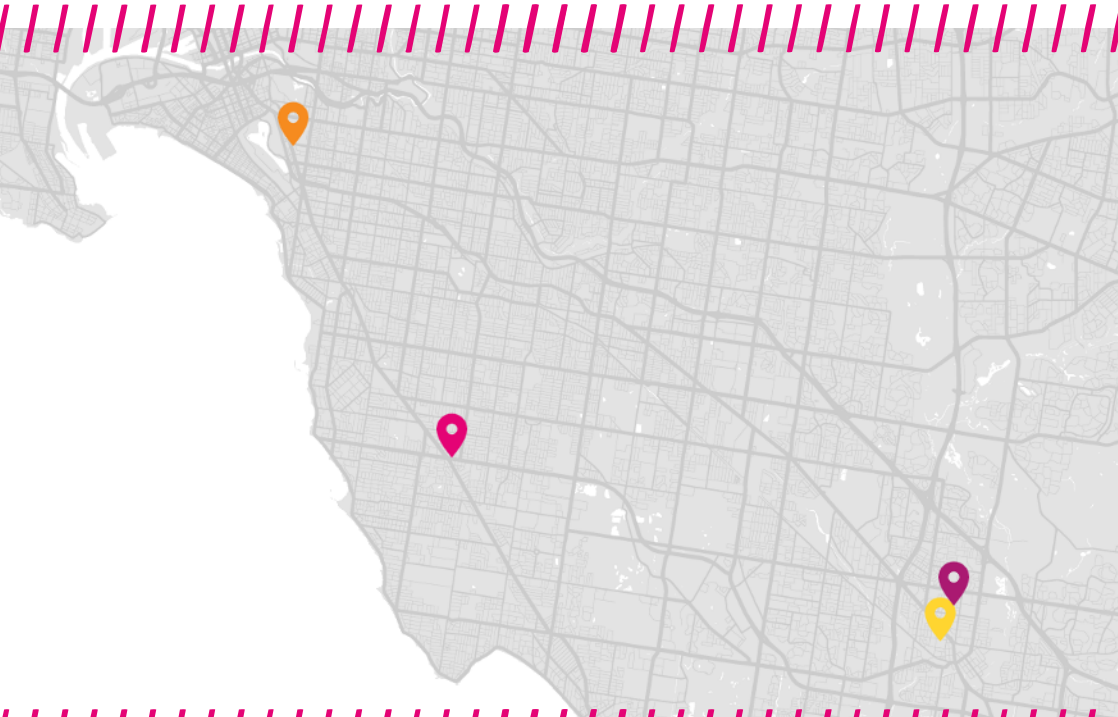

ADLWs remain engaged with clients until they are connected into secure, longer term drug and alcohol support

TaskForce

Where hope finds help.

ADLOWs are based in Bentleigh, Dandenong and Melbourne, and operate in an outreach capacity across the cities of Port Phillip and Greater Dandenong

Call 9532 0811 or email fionam@taskforce.org.au to refer or for more information.

The ADLOW program is supported by funding from the Australian Government under the South Eastern Melbourne PHN
