Position Title	AOD Overdose Prevention Clinician
Program	FMP AOD
Employment type	Full-time fixed term
Hours per week	Full time
Location	Frankston Mornington Peninsula sites
Reports to	Frankston AOD Team Leader

About TaskForce

Since 1973, TaskForce has provided specialist support for people in serious need in Victoria. Our core services focus on addressing social issues of alcohol and other, unemployment, mental health and high risk taking behaviours, supporting our clients to transition back into “mainstream” services and supports. The people who access our services have experienced significant disadvantage or a crisis in their lives and as a result are prevented from reaching their potential.

About the Position

The Overdose Prevention role seeks to provide outreach and extend Care and Recovery, Bridging Support and continuity of care to clients at high risk of overdose. The position supports priority clients during key transition periods to remain engaged, this includes clients leaving residential AOD programs, prison and entering voluntary AOD treatment.

The AOD Overdose Prevention Clinician is responsible for conducting comprehensive assessments, person-centred planning, care and recovery coordination outreach support and providing a range of counselling interventions, including comprehensive harm reduction interventions, complex case management and linkages with other services. The role will assist clients to change harmful behaviours resulting from problematic alcohol and other drug use Key Responsibilities.

Key Responsibilities

Provision of Treatment Services

- Providing high quality engagement, assessment, treatment and support services to individuals and their families through evidence based, therapeutic counselling and group work.
- Conducting comprehensive assessments.
- Contributing effectively to clinical review, liaise with Clinical Coordinator regarding high risk clients and situations.
- Developing treatment plans and providing effective counselling interventions and assertive referrals to meet the individual needs of clients and their families, including those with complex needs.
- Provide information, education and practical assistance to clients to help people to reduce the harms of substance use.
- Providing clients with exit and post treatment support plans to offer them appropriate support to maintain treatment gains.
- Considering the needs of, and identifying any risks to vulnerable children, working with families to develop safety plans and facilitating referrals to partner Child First and Family service agents when indicated.
- Providing back up support to the Triage function for the FMP team when required.
- Facilitating short-term bridging and linkage support for clients on waiting lists for counselling services.
- Participating in the ongoing development of the AOD Overdose Prevention Program towards the achievement of the program's objectives.
- Work from a Family Inclusive framework to establish strong and effective relationships with clients and their families as well as other key social supports.
- Provide secondary consultation and training to upskill clinicians in the sector
- Implementing therapeutic approaches including; ERIC, Empowerment STAR, motivational interviewing, Family Inclusive Practice, CBT, ASSIST, Single Session Family Work, Schema Therapy, Relapse prevention, Trauma informed care, Mental Health First Aid etc.

Professional liaison and consultation

- Coordinating with Care and Recovery, Clinical Review and other processes to support seamless transitions between service types and a consistent approach to supporting the achievement of clients' recovery goals.
- Consulting with other services to develop and support the provision of recovery and harm reduction orientated treatment.
- Developing and maintaining collaborative and productive working relationships with internal and external stakeholders.

Supervision and Professional Development

- Actively participating in ongoing professional development, individual and group supervision and relevant training as required.
- Supporting the student placement program and supervising students as requested.

Administration

- Maintaining up-to-date progress notes, case files and data entry in a confidential and professional manner.
- Adhering to and keeping informed of relevant legislative compliance requirements, and reporting any perceived breaches, risks, hazards, incidents where relevant.
- Undertaking other duties as directed by the Supervisor and Operations Manager.

Qualifications

- Certificate IV in AOD or completion of the core competencies (or able to complete within the first 12 months of employment- see Appendix A).
- Relevant health and or welfare Tertiary Qualification such as Social Work, Psychology, Counselling, Nursing, Allied Health Sciences, AOD or other relevant area of study is desirable.

Skills and Experience (Key Selection Criteria)

- Experience in the provision of assessment and counselling services preferably with AOD or dual diagnosis clients.
- Demonstrated understanding of family systems approached interventions for reducing alcohol and drug related harm, and the ability to apply a range of therapeutic approaches.
- Ability to collaborate effectively with clients, families, colleagues, stakeholders and other service providers.
- Proven skills in the application of assessment, case coordination, case management, case formulation and the development of individual treatment plans.
- Proven ability to work with a range of people (including specific client groups such as Aboriginal, Culturally and Linguistically Diverse and Forensic clients) and families experiencing problematic AOD use, in a non-judgmental and respectful manner.
- A demonstrated commitment to teamwork.
- The ability to exercise problem solving thinking in an independent working environment
- Experience providing outreach-based services.
- Experience developing risk and safety plans, incident reporting and using the CIMS system.
- Advanced harm reduction intervention skills.
- Lived experience applicants encouraged

Essential Requirements

- Satisfactory outcome of a confidential Police Check and Working with Children Check.
- Certificate IV Alcohol & Other Drugs, or willingness to complete
- Empathy for those whose lives have been affected by problematic alcohol and other drug use/ and or mental health disorders.

- Possession of a current Victorian Driver's License and willingness to travel within catchment
- Availability for some work outside of normal business hours.
- Information technology skills, including proficiency in Microsoft Office suite.
- Eligibility to work in Australia.

Desirable Requirements

- First aid certificate, Mental Health First Aid training.
- Current knowledge of OH&S practice.
- Experience providing group counselling sessions.

Terms and Conditions

- Employment conditions are in accordance with the Social, Community, Home Care and Disability Services Industry Award 2010.
- As an organisation with public benevolent institution (P.B.I.) status, TaskForce offers all staff the opportunity to take up generous Salary Packaging.

To be employed in this position a person must:

- Be prepared to travel between the sites to meet the requirements of the job and to work out of various partnership locations.
- Undergo a Police Check and a Working with Children Check. Offers of employment are subject to the results of these checks.
- Hold a current driver's license.
- Familiarise themselves with, and observe all TaskForce business, community, therapeutic and human resources policies, procedures and practices.
- Follow TaskForce's codes of employee conduct, promote the interests and reputation of the agency and refrain from acting in way that would conflict with the best interests of TaskForce.

Our values

Client centred

We strive to support our clients and their extended networks to change their circumstances. We will collaborate so that our full range of services and supports are wrapped around them enabling each to reach their full potential.

Innovation and best practice

We will be cutting edge in all that we do leading to evidence-based best practice within the sector. Our people will be passionate and motivated to make a difference.

Thought leadership

We are committed to addressing the tough moral challenges faced and sensitivities that abound in our sector, leading consequent debate and adapting as broader positions held by society evolve.

Honesty and integrity

We do our utmost to communicate openly, honestly and respectfully. We collaborate and share accountability with colleagues and clients alike. We acknowledge that as we learn, mistakes may be made but that this learning will make us stronger.

Trust, respect and self care

We collaborate to create a work environment built on trust and respect where our people and consortium partners are supported and challenged to lead best practice. We recognise that responsibility for self-care is also a foundation to achieve excellence in the services we deliver.

Appendix A

AOD Competencies
