In the case that government mandated COVID-19 restrictions are enforced TaskForce reserves the right to change the program delivery from face-to-face training to online delivery. As a participant you will need to be prepared to accommodate this change if required.

Cancellation and Refund Policy

- The BCPs are in high demand and there are non-refundable fees which apply to **all** program cancellations. These are:
 - \$50 Administration Fee.
 - \$67 VicRoads Recovery Fee (\$34 Concession).
- If you need to cancel a booking, you must provide a minimum of 5 business days' notice before the commencement of the first session to receive a refund (total fees paid minus the non-refundable fees detailed above). If you do not give 5 business days' notice you will be ineligible for a refund.
- If you cannot attend the program because you are unwell you are required to present a medical certificate within 5 days of the program commencement date to be eligible to transfer to another program in line with our Transfer Policy.
- Where attendance is cancelled by TaskForce due to a breach of the Conditions of Attendance (detailed above) you will be ineligible for a refund and ineligible to transfer to another Behaviour Change Program provided by TaskForce.
- If you fail to attend any of the course dates without a medical certificate, or are late to any session and not granted entry, you will be ineligible for a refund.

Transfer Policy

- Payment is a reservation for a spot in the program on the specific dates booked. We require you to attend on the dates booked. If you wish to transfer to another advertised date, you must provide TaskForce with at least 5 business days' notice of the first session. If there are vacancies in future sessions and sufficient notice has been provided, we will accommodate your request without charge.
- Transfers requested with less than 5 business days' notice may result in forfeiting fees paid unless you can provide documented evidence of your absence, such as a medical certificate.
- If you attend the first session and then are unable to attend subsequent session(s) but can provide documented evidence of the reason for your absence, such as a medical certificate, transfer to another group may be possible but will incur a \$100 transfer fee.
- If you do not provide TaskForce with sufficient notice or documented evidence to support your need to transfer you will forfeit all fees paid and will be required to rebook and repay the full cost.
